

This Notice Expires 1 March 1964

25X1A

ORGANIZATION

9 December 1963

REALIGNMENT OF BUDGET AND FINANCE AUTHORITIES AND RESPONSIBILITIES

1. This notice assigns to particular organizational elements of the Agency the authority and responsibility for services formerly provided by the Office of the Comptroller, and provides guidance to other Agency components regarding these matters.

25X1A

2. Headquarters Notices [REDACTED] effective 18 November 1963, promulgated organizational changes which divided the mission and functions of the Office of the Comptroller among (a) the Office of the Executive Director, (b) the Office of the Deputy Director for Support, and (c) the Office of the Deputy Director for Science and Technology. Specifically, the functions relating to budget, program analysis, and manpower control were transferred to a newly-designated Office of Budget, Program Analysis, and Manpower under the Executive Director-Comptroller; the functions of the Automatic Data Processing Division, Office of the Comptroller, were transferred to the Office of Computer Services of the Deputy Director for Science and Technology; and all other functions of the Comptroller were transferred to the newly-designated Office of Finance of the Deputy Director for Support.

3. Under this reorganization, the Office of Budget, Program Analysis, and Manpower and the Office of Finance will comprise the following components:

Office of Budget, Program
Analysis, and Manpower

- a. Immediate Office of Director of Budget, Program Analysis, and Manpower
- b. Budget Division
- c. Program Analysis Staff
- d. Manpower Control Staff

Office of Finance

- a. Immediate Office of Director of Finance
- b. Policy and Systems Staff (formerly Technical Accounting Staff)
- c. Confidential Funds Division (formerly Finance Division)
- d. Fiscal Division
- e. Industrial Contract Audit Division
